We've taken Phundex to the next level with powerful upgrades that give you unprecedented control over your operations. Discover our most revolutionary release yet!

### **Workflow Wonders**

Leverage expert-designed Pathways for common processes like acquisitions, risk management, client review, transaction management, due diligence and more. Pre-built workflows streamline operations from start to finish.

### **Customization Champion**

Tailor every aspect of Phundex to your unique needs. Design custom Pathways from Phundex Pathway templates or fully customize tasks.

### **Document Domination**

Effortlessly organize and access all documents from a central hub. Store, rename, archive, and securely share documents with built-in version control.

### **Notification Ninja**

Manage alerts with laser focus precision. Get updates on your terms via in-app or email - it's your call how and when notifications strike.

### **Access Accelerated**

Flex user licenses up or down as demands change. Maximizes platform use while optimizing costs with our new temporary user feature.

### **Signature Sensation**

E-sign directly within Phundex from any provider for a seamless experience. Upload signed docs with a single click.

### **Knowledge Kingdom**

Tap expert best practices across industries. Online help, tailored guides and shared assets innovates workflows faster.

### **Connectivity Concierge**

Simplify integrations between Phundex, AutoNDA, Cygnetise and more for dazzling data sharing capabilities.

### **Control Tower View**

Administer all aspects with birds-eye visibility and custom controls. Real-time performance tracking at your fingertips.
